

# *Thank You!*

I am truly humbled and grateful for your support of my campaign. Because of your help, last night I was elected the Democratic candidate for State Treasurer.

With your continued support, I hope to be elected as your next State Treasurer so we can put ideas into action and make a positive difference for all Delawareans.

Again, thank you and I hope I can count on you to make the election on November 2nd a success!

*Chip*
